

Ready to change a life?

Start with yours.

AmeriCorps

AmeriCorps

The AmeriCorps team at College Now works with Advisors and school-based staff to guide students through postsecondary exploration and preparation. AmeriCorps members celebrate diversity, creatively problem-solve, and embrace teamwork while preparing students for thriving and productive lives that contribute to the region's economic vitality.

WHAT YOU'LL DO

Motivate and assist students to create a post-high school plan

Engage families in college planning

Network with school-based staff to ensure student success

Support current college students

Plan community service projects

BENEFITS

Healthcare plan

Education award

Food and childcare assistance (if applicable)

Student loan forbearance

Monthly professional development opportunities

Career Pathway Coaches

Career Pathway Coaches primarily serve 9th and 10th graders in the four Academies of Cleveland, which each focus on specific career fields. You'll help students complete career assessments, apply for internships and jobs, and craft resumes, ensuring that each student has access to the tools and resources necessary to create a postsecondary plan. Additionally, you'll provide direct support to 8th graders in the process of choosing their high schools. Coaches play an important role in instilling the belief that postsecondary can become a reality for any student.

College Guides

College Guides serve high school students on all aspects of postsecondary preparation. You'll help students research and apply to college and/or trade programs, review scholarship applications, apply for financial aid, and prepare for the ACT and SAT. College Guides work closely with school staff to conduct workshops, schedule field trips, and plan other enrichment activities to best prepare students for life after high school.

A number of College Guides also serve traditional college students and adult learners in the College Now Resource Center, located in downtown Cleveland, as well as electronically. Guides in these roles support students, many of whom are the first in their families to attend college, to navigate their college journeys.

CURRENT OPENINGS
