Due to COVID-19, as we move closer to May, we will be continuing to monitor and adjust the format of the 2022 Summer Internship Program in accordance with the ongoing guidance of public health experts and agencies. As part of the Leadership Development priority area, we remain committed to the program, but to ensure the safety of interns and staff, please be aware that internship placements may be virtual, in-person, and/or a hybrid and formal sessions as a cohort may be solely virtual.
