

# THE ESSENTIALS OF REPRODUCTIVE JUSTICE: ACCESS, AUTONOMY, ACTION

**October 11th • 9am - 2pm • TVUC Ballrooms**

Reproductive Justice,  
as defined by  
SisterSong, is **the**  
“**human right to  
maintain personal  
bodily autonomy,  
have children, not  
have children, and  
parent the children  
we have in safe and  
sustainable  
communities.**”

This event is designed to offer CWRU a basic understanding of what Reproductive Justice is and all the ways in which reproductive rights and reproductive health can be affected by social injustices. The day will include a walking narrative exhibit, a take action fair, and talks.
