Found Families

For the latest details, email jaden.lynn@outlook.com
The code to the left will take you to case.edu/lgbt > signature-events > found-families

Informal weekly meetings.

Monthly gatherings.

Connection.

Education.

Support.

Found Families is open to all people in the LGBT community. It’s ok to bring your whole self. Intersectional identities can be hard to navigate. We are intentionally inclusive on the basis of age, religion, race, ability, national origin, and more.

Found Families is sponsored by University Health and Counseling Services in partnership with the LGBT Center.
