Success by design:
the impact of digital accessibility

A free event open to all students

Thursday, October 31 | 9:30 AM - 12 PM @ KSL Library

Network, enjoy refreshments and join interactive sessions on accessible design and a trick-or-treat scavenger hunt!

Visit Campus Groups for the schedule and how to register!

What to Expect:

- Two interactive sessions to introduce you to digital accessibility
- Learn skills that you can apply to your resumes, presentations, or anything you create

Why Attend:

- Create materials for everyone to access and understand to set you up for success
- Meet other students and participate in our trick-or-treat scavenger hunt

Hosted by UTech's Teaching and Learning Technologies, Disability Resources, Kelvin Smith Library, University Marketing and Communications, and UCITE, these events aim to foster an inclusive learning environment at Case Western Reserve University.
