

Dear fellow CWRU students,

My name is Wintana Eyob and I am running for the vice president position within the Class Officer Collective. It would be an honor to represent the class of 2022 and assist in events such as Homecoming, Almost Home for the Holidays, Snowball Formal, and Hudson Relays. In high school as student body president, I assisted in many events such as prom and homecoming. I am open to all suggestions and want to ensure that those who are not listened to are given a chance to be heard. I intend to help this class in anyway possible whether that be lending an extra hand, planning fun events for our class, or just being a friend to anyone who needs one. I believe I am qualified for this position because I am passionate about helping our class.

By becoming vice president, I will try to create more bonding events for our class so that we grow stronger and closer as a class. I will also try to create mental health days every month for the times when people need to be rejuvenated.

I want to be in Class Officer Collective because it would be a great opportunity to represent my class and an amazing way to make a difference on campus. Thank you for taking time out of your day to read this and remember to vote for Wintana for vice president of the Class Officer Collective.

Sincerely,

Wintana Eyob
