

Weatherhead Leadership Conference

A forum inspired
by women leading
with intentionality,
humanity and heart

Thursday, March 5, 2026

In a time of change, leadership matters more than ever

We are living in an era of rapid social, technological and cultural transformation. With uncertainty comes opportunity—the opportunity to shape cultures of trust, build organizations that prioritize humanity, and lead with both vision and heart.

The Weatherhead Leadership Conference is a one-day, high-impact forum designed to educate, inspire and equip leaders with contemporary leadership strategies, actionable insights and meaningful connections.

We will explore how purpose, courage and innovation are driving change in business, technology and society—and how today's leaders are shaping what's next.

Why attend

■ INSPIRATION FROM VISIONARY LEADERS

Hear from **Shelly McNamara**, former Chief Equality & Inclusion Officer at P&G, and **Shannon Watts**, founder of Moms Demand Action, as they share bold ideas on leading with empathy, courage and purpose.

■ ACTIONABLE STRATEGIES & INSIGHT

Engage in dynamic breakout sessions across **three tracks**:

1. **Human centered leadership:** Insights highlighting vulnerability, courage and transformation
2. **Culture:** Intentional, people-focused cultures that foster belonging, resilience and meaning at work
3. **AI/technology:** Demystifying AI as a tool for empowerment, ethics and practical impact

Plus a special session on Economic Trends and Implications, offering a macro view of forces shaping the future of leadership.

■ MEANINGFUL CONNECTIONS

Build your network with leaders, innovators and changemakers committed to intentional and inclusive leadership.

■ CELEBRATE INNOVATION & IMPACT

Explore the **Women's Fair**, featuring women-led organizations, authors and initiatives contributing to vibrant professional ecosystems.

About Weatherhead

At the Weatherhead School of Management at Case Western Reserve University, we believe that leadership rooted in humanity has the power to transform complexity into opportunity. Our mission is to shape leaders who thrive amid change, spark discovery that drives meaningful solutions and mobilize communities to create lasting impact.

This conference reflects that commitment. Guided by our vision to be a pathbreaking academic community at the nexus of business, humanity and technology, Weatherhead brings together curious, courageous and collaborative leaders to learn, connect and act with purpose. By convening professionals and changemakers, we aim to catalyze the kind of leadership that meets this moment and shapes a better future for all.
